Severn Trent Customer

March 2026

Dear customer,

We're carrying out vital improvements to our waste network...

As part of our commitment to help improve the health of rivers across our region, we're making one of the biggest investments we've ever made to improve our waste network. Our waste treatment works at Radway is approaching the end of its operational life, so we've decided to take it out of service.

To ensure we can continue to provide reliable service to the community, we're delivering a project to transfer the wastewater to our upgraded treatment works at Kineton via a new waste pipeline. These important improvements will help enhance the overall health and resilience of the local watercourse network.

Where and when we'll be working

Our team will start on **4 April 2026** at the entrance to Radway Treatment works and will progress north along Langdon Lane - towards Banbury Road (B4086). On **20 April 2026** we'll move on to Banbury Road and start installing the new waste pipe in sections towards Kineton village. Please note that the programme can change due to circumstances out of our control.

Keeping you safe

To keep both our site team and road users safe at all times, we'll need to install a **road closure** on Langdon Lane. If you live within the working area, our team will work with you to maintain access to your property. Whilst working on Banbury Road, our team will install sections of pipework whilst controlling the flow of vehicles by using **two-way traffic lights**.

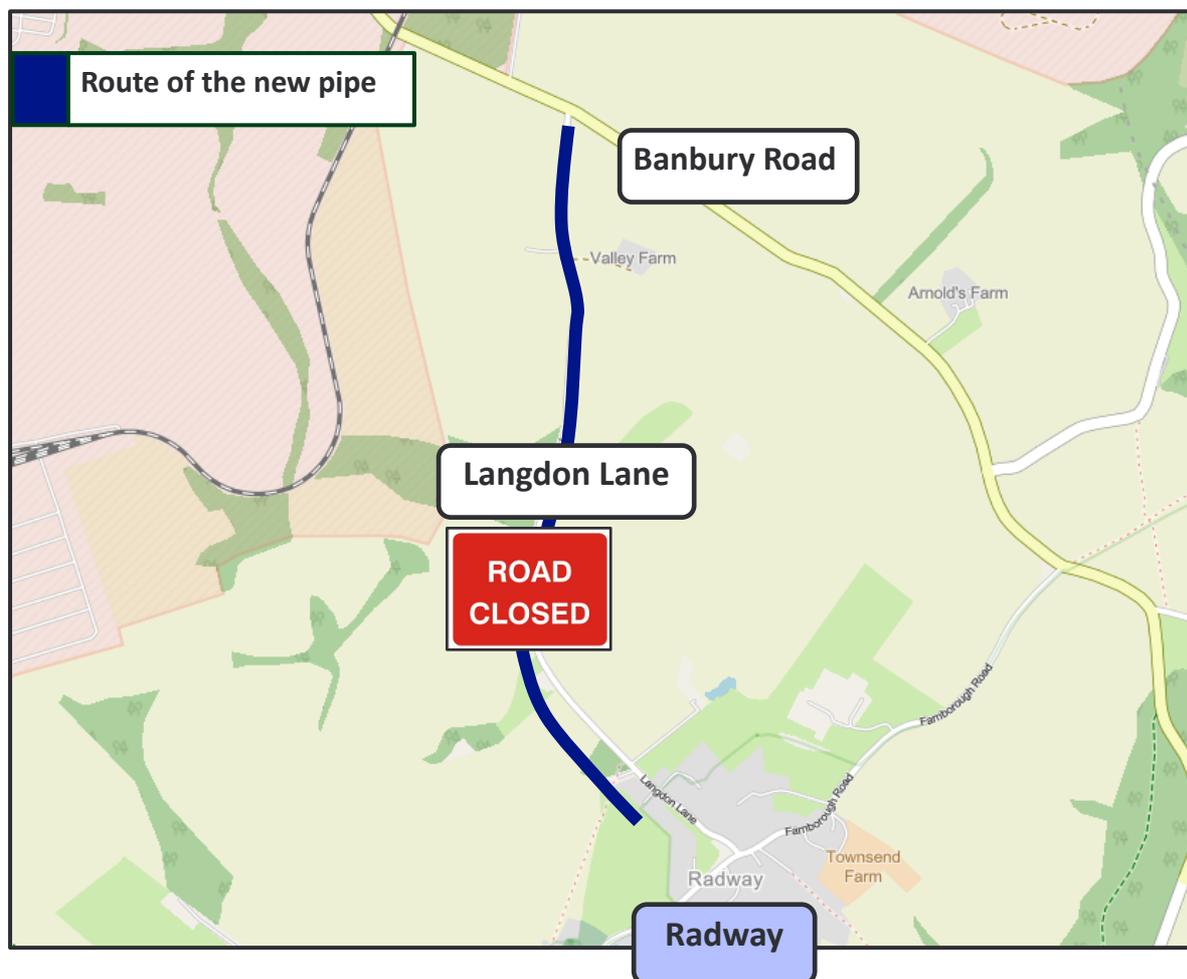

Road Name	Traffic Management	Start Date	Duration
Langdon Lane	Road Closure	6 April 2026	11 Days
Banbury Road (B4086)	Two-way Traffic Lights	20 April 2026	3 Months

Come and meet the team

We'd love to talk to you in person and answer any questions you may have about this project. Find out more about our plans and how we can help you at our community dropin session:

Location: Radway Village Hall, Tysoe Road, Radway, Warwickshire, CV35 0UE – **Thursday 26 March 2026, Time: 15:00PM – 18:00PM**

Map of the working area

Please bear with us

We know our work can be a nuisance and we're sorry for any disruption caused during this essential work. Be assured that we, and our contract partner Amelio, are doing everything we can to minimise disruption. **During the work we don't anticipate any changes to your water and waste services.**

Who do I contact about the work?

- Get in touch with me on **07971 033608**
- Or email at **communitycomms@severntrent.co.uk**
- If you have a query out-of-office hours, please contact our 24hr Customer Contact Centre on **0800 783 44 44**

Yours faithfully

Samantha Heno
